

Dear Parent or Guardian,

Parent access to the PowerSchool Parent Portal is now open to grades 1-8. The Parent Portal is a powerful, easy-to-use, secure web based communication tool connecting teachers and parents.

Using Pearson's PowerSchool student information system, the Parent Portal allows collaboration to improve student achievement. Up-to-date, online access to grades, homework, attendance and assignments make it easier for parents, teachers and students to accurately monitor, identify and accelerate student progress.

Please complete the lower half of this page and return it to your child's homeroom teacher. For those that would like to participate in accessing the Parent Portal, usernames and passwords will be sent to the email address that you provide. You may begin using the Parent Portal as soon as you have received your login information.

Current information about the Parent Portal can always be found on the school web site at <http://www.norridge80.org/powerschool/parents.htm>
Parent Portal questions should be emailed to jjobe@norridge80.org

Arrangements can be made for those that do not have email or Internet access.

Thank you,
John Jobe
Director of Technology
