Community Use of School Facilities

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or the safety of students or employees, or (2) affect the property or liability of the School District. The use of school facilities for school purposes has precedence over all other uses. Persons on school premises must abide by the District's conduct rules at all times.

Student groups and school-related organizations and local governments are granted the use of school facilities at no cost. Other organizations granted use of facilities shall pay fees and costs.

The Superintendent shall develop procedures to manage community use of school facilities. Use of school facilities requires the Superintendent's approval and is subject to the procedures.

The following definitions apply to this policy:

School property – School buildings and grounds, all District buildings, vehicles used for school purposes, and any location used for a School Board meeting, school athletic event, or other school-sponsored event.

Visitor – Any person other than an enrolled student or employee.

All visitors to school property are required to report to the Building Principal's office and receive permission to remain on school property. All visitors must sign a visitors' log, show identification, login to Raptorware, and wear a visitor's badge. When leaving the school, visitors must return their badge. On those occasions when large groups of parents and friends are invited onto school property, visitors are not required to sign in but must follow school officials' instructions. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Any person wishing to confer with a staff member should contact that staff member by telephone or email to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's conference/preparation period.

The School District expects mutual respect, civility, and orderly conduct among all people on school property or at a school event. No person on school property or at a school event (including visitors, students, and employees) shall:

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Exclusive Bargaining Representative Agent

Authorized agents of an exclusive bargaining representative, upon notifying the Building Principal's office, may meet with a school employee (or group of employees) in the school building during free-times of such employees.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year.

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least 10 days before the Board hearing date. The hearing notice must contain:

1. The date, time, and place of the Board hearing,
2. A description of the prohibited conduct,
3. The proposed time period that admission to school events will be denied, and
4. Instructions on how to waive a hearing.

Community Relations

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities on an equal basis to those without disabilities and will not be subject to illegal discrimination. Where necessary, the District may provide to persons with disabilities separate or different aids, benefits, or services from, but as effective as, those provided to others.

The District will provide auxiliary aids and services where necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent is designated the Americans With Disabilities Act, Title II Coordinator and, in that capacity, is directed to:

1. Oversee the District's compliance efforts, recommend necessary modifications to the Board, and maintain the District's final Title II self-evaluation document and keep it available for public inspection, for at least 3 years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent, as the Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure. The superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Complaint Managers for the Uniform Grievance Procedure.

Complaint Managers:

Name:	Mr. Kerry Leiby	Mrs. Mary Kay Dunne
Address:	4251 N. Oriole Ave.	8151 W. Lawrence Ave.
Telephone No.:	708-453-4847	708-456-8848

Community Relations

Gifts to the District

The School Board accepts gifts from any education foundation or other entity or individual, provided the gift can be used in a manner compatible with the Board's educational objectives and policies. While the Board encourages unrestricted gifts, donations to fund specific projects are acceptable if the project is approved by the Board. All gifts received become the School District's property.

At an annual Board meeting principals will report gifts given to the District by the PTA and ST&P organizations.

Community Relations

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are an invaluable resource to the District schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the School Board welcomes their suggestions and assistance.

Parent organizations and booster clubs are recognized by the School Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may take recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The School Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supercede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

Community Relations

Parental Involvement

In order to assure collaborative relationships between students' families and the School Board and District personnel, and to enable parent(s)/guardian(s) to become active partners in education, the Superintendent shall develop administrative procedures to:

1. Keep parent(s)/guardian(s) thoroughly informed about their child's school and education.
2. Encourage involvement in their child's school and education.
3. Establish effective two-way communication between all families and the School Board and District Personnel.
4. Seek input from parent(s)/guardian(s) on significant school-related issues.
5. Inform parents/guardians on how they can assist their children's learning.

The Superintendent shall periodically report to the Board on the implementation of this policy.

Community Relations

Relations With Other Organizations and Agencies

The District shall cooperate with other organizations and agencies, including the:

- County Health Department;
- law enforcement agencies;
- fire authorities;
- planning authorities;
- zoning authorities;
- other school districts;
- Park District;
- Village officials; and
- Library.

Community Relations

Public Suggestions and Complaints

The School Board is interested in receiving valid complaints and suggestions. Public complaints or suggestions shall be referred to the appropriate level staff member or District administrator. Each complaint or suggestion shall be considered on its merits.

An individual, not satisfied after following the channels of authority, may file a grievance under the Uniform Grievance Procedure. This policy shall not be construed to create an independent right to a hearing before the Board.

If the above steps do not resolve the concern of the complainant, the complainant may request a closed session meeting with the Board of Education for the purpose of reviewing the superintendent's decision. If the Board agrees to hold a closed session for this purpose, all parties involved, including the administration may be asked to attend for purposes of presenting facts, making further explanations, and clarifying the issues. The Board shall conduct the meeting in a fair, objective manner and any decision made by the Board shall be final.
