

Junior High Parking Lot

**Our goal is to keep all of our students safe!
Your good example and cooperation are greatly appreciated.**

- Cross the streets at marked crosswalks only. Jay walking and crossing in the middle of the street is not permitted.
- Double parking is not allowed in the north parking lot or on Courtland Avenue.
- Students should exit and enter the cars from the sidewalk side. Pick up/drop off should not take place in the outer lane of the parking lot.
- Please circle the block until you can legally park your car. Never block crosswalks or driveways or turn around in driveways.
- Obey the crossing guards and patrols by driving slowly and following the school speed limit.
- Always load and unload children when properly parked.
- State law requires that school buses may not be passed when loading or unloading students. If the STOP arm is extended, you must wait until the arm is retracted before proceeding.
- Giddings and Leland are one way from 8:00 AM – 9:00 AM & 3:00 PM – 4:00 PM. Courtland is closed to thru traffic at these times.
- Please respect the property of our neighbors.
