Dear Leigh School Parents/Guardians,

The safety of our students is the number one priority at Leigh School. We have worked with the Norridge Police Department and the Norwood Fire Department to create safety procedures for every event.

Leigh School was placed on a hard lockdown on Tuesday, September 12, 2018 at 2:00pm. The lockdown was due to an internal student issue. The Norridge Police Department was contacted and dispatched to the school. The student issue was resolved at 2:05pm and the lockdown was cleared. At no time were the students at Leigh School in any danger. This was an internal student issue, not an external threat.

The staff and the students of Leigh School followed the procedures that are in place. I am very proud of the response of the staff of Leigh to secure the building. They followed the proper procedures to ensure student safety. I want to thank the Norridge Police Department for their quick action.

Sincerely,

Mrs. Michele Guzik
